25X1A1A

1. Payments to Agency employees for overtime and holiday pay increased steadily from [REDACTED] in FY 1960 to [REDACTED] in FY 1963. Overtime in the first quarter of FY 1964 was paid at a rate approximating [REDACTED] per annum.

2. The referenced increase, in part, reflects additional work requirements; but it may also reflect poor employee work habits, inefficient office practices, and inadequate planning and supervision.

3. As first steps toward the reduction of payments for overtime, the DD/S has been directed to prepare a change to Agency regulations which will eliminate all payments for overtime to personnel above GS-9, and to have the Director of Finance prepare and submit quarterly reports of overtime payments to each Deputy Director and to the Office of Budget, Program Analysis and Manpower.

4. Concomitantly, you should take the following actions:

a. Establish for your directorate a target to reduce total overtime by not less than 25% from FY 1963 levels and tighten overtime controls and limitations for each component.
